Help

On the manage user's page, you can view all the user's on the system and edit their details by **edit** on the user's profile

Navigate to the next page here

You can choose how many you want to see at once

MANAGER DASHBOARD (MANAGE USERS)

The screenshot shows a 'Manage User's' interface with a table of users and an edit modal. The table has columns: Full Name, Email, Role, Phone Number, and Edit. The modal form has fields for Full Name, Email, Role, and Phone Number, with a 'Save' button and a 'Back' button.

Full Name	Email	Role	Phone Number	Edit
Joel Joseph			0725223926	Edit
Joel Joseph			0725223926	Edit
Joshua Joseph				Edit
				Edit
Matt			0844287020	Edit

Modal Form Fields:

- Full Name: Joel Joseph
- Email: Joel@janeeb.com
- Role: Manager
- Phone Number: 0725223926

Buttons: Save, Back

Click "Save" to save the changes, or back to cancel the changes.

After saving you can click back to close the edit panel

After clicking on edit for the user, you can edit the details such as the name, role and more. Changing the roles of the users will give them their respective functionality
